

**First Grade Teacher-** Russian Immersion Program at Kelly elementary school

We have an opening as a 1st grade teacher in the Russian Immersion Program at Kelly elementary school. We need a person who has strong bilingual skills and has Oregon teaching license, or is working on getting it, or is intending to get one and has BA or MA from a teaching training college from the former Soviet Union. We need a person who believes in bilingual education and sees a great value in Russian language and culture. Right now we have 23 kindergarten students in the program both English and Russian speakers. Here is the link to the website where you can get more information about our program - <http://www.russianprogram.pps.k12.or.us/>

If you would like to find out more about the position and apply, look up Portland Public School District website. If you need help filling out the application, contact the district human resources department at 503-916-2000, or you can even go there.

The position will stay open until we find the right person.

You can contact me if you need more information about the program and/or position, but I may not reply right away as I am swamped with work and won't be available May 26 - June 5.
